5 and insert:

6 6. For properties constructed on or after January 1, 2009,
7 the corporation may not insure any property located within 2,500
8 feet landward of the coastal construction control line created
9 pursuant to s. 161.053 unless the property meets the requirements
10 of the code plus building standards developed by the Florida
11 Building Commission.

12 3.7. It is the intent of the Legislature that
13 policyholders, applicants, and agents of the corporation receive
14 service and treatment of the highest possible level but never
15 less than that generally provided in the voluntary market. It
16 also is intended that the corporation be held to service
17 standards no less than those applied to insurers in the voluntary
