12 Be It Enacted by the Legislature of the State of Florida:

13
14 Section 1. Subsection (6) is added to section 3 of section
15 1 of chapter 2002-337, Laws of Florida, to read:

16 Section 3. District; creation, jurisdiction, and purpose.--

17 (6) The district shall comply with federal and state laws
18 governing the quality and manner of discharge of effluent but
19 shall not be subject to local regulation over the quality and
20 manner of discharge except as provided herein or to the extent
21 that the district may by agreement with any other public or
22 private body authorize the same to exercise over the projects of
23 the district. The district shall not be obligated to obtain
24 licenses, permits, or other authorizations required by state and
25 local regulating agencies for development but shall comply with
26 the substantive regulations, other than permitting, of the
27 appropriate agency in effect at the time of district approval of
28 the final plans for development. The district shall not be
29 subject to supervision, regulation, or other power of any bureau,
