 45 Be It Enacted by the Legislature of the State of Florida:

46
 47 Section 1. This act may be cited as the "Mark Wandall
 48 Traffic Safety Act."

49 Section 2. Subsection (86) is added to section 316.003,
 50 Florida Statutes, to read:

51 316.003 Definitions.--The following words and phrases,
 52 when used in this chapter, shall have the meanings respectively
 53 ascribed to them in this section, except where the context
 54 otherwise requires:

55 (86) TRAFFIC INFRACTION DETECTOR.--A device that uses a
 56 vehicle sensor installed to work in conjunction with a traffic

57 control signal and a camera synchronized to automatically record
 58 two or more sequenced photographic or electronic images or
 59 streaming video of only the rear of a motor vehicle at the time
 60 the vehicle fails to stop behind the stop bar or clearly marked
 61 stop line when facing a traffic control signal steady red light.
 62 Any citation issued by the use of a traffic infraction detector
 63 must include a photograph showing both the license tag of the
 64 offending vehicle and the traffic control device being violated.

65 Section 3. Section 316.0083, Florida Statutes, is created
 66 to read:

67 316.0083 Mark Wandall Traffic Safety Program;
 68 administration; report.--

69 (1) There is created the Mark Wandall Traffic Safety
 70 Program governing the operation of traffic infraction detectors.
 71 The program shall be administered by the Department of Highway
 72 Safety and Motor Vehicles and shall include the following
 73 provisions:

74 (a) In order to use a traffic infraction detector, a
 75 county or municipality must enact an ordinance that provides for
 76 the use of a traffic infraction detector to enforce s.
 77 316.075(1)(c), which requires the driver of a vehicle to stop
 78 the vehicle when facing a traffic control signal steady red
 79 light on the streets and highways under the jurisdiction of the
 80 county or municipality. A county or municipality that operates a
 81 traffic infraction detector must authorize a traffic infraction
 82 enforcement officer to issue a ticket for a violation of s.
 83 316.075(1)(c) and to enforce the payment of tickets for such
 84 violation. This paragraph does not authorize a traffic

85 infraction enforcement officer to carry a firearm or other
86 weapon and does not authorize such an officer to make arrests.
87 The ordinance must require signs to be posted at locations
88 designated by the county or municipality providing notification
89 that a traffic infraction detector may be in use. Such signage
90 must conform to the standards and requirements adopted by the
91 Department of Transportation under s. 316.0745. The ordinance
92 must also require that the county or municipality make a public
93 announcement and conduct a public awareness campaign of the
94 proposed use of traffic infraction detectors at least 30 days
95 before commencing the enforcement program. In addition, the
96 ordinance must establish a fine of \$125 to be assessed against
97 the registered owner of a motor vehicle that fails to stop when
98 facing a traffic control signal steady red light as determined
99 through the use of a traffic infraction detector. Any other
100 provision of law to the contrary notwithstanding, an additional
101 surchARGE, fee, or cost may not be added to the civil penalty
102 authorized by this paragraph.

103 (b) When responding to an emergency call, an emergency
104 vehicle is exempt from any ordinance enacted under this section.

105 (c) A county or municipality must adopt an ordinance under
106 s. 316.008 that provides for the use of a traffic infraction
107 detector in order to impose a fine on the registered owner of a
108 motor vehicle for a violation of s. 316.075(1)(c). The fine
109 shall be imposed in the same manner and is subject to the same
110 limitations as provided for parking violations under s.
111 316.1967. Except as specifically provided in this section,
112 chapter 318 and s. 322.27 do not apply to a violation of s.

HB 351

2008

113 316.075(1)(c) for which a ticket has been issued under an
114 ordinance enacted pursuant to this section. Enforcement of a
115 ticket issued under the ordinance is not a conviction of the
116 operator of the motor vehicle, may not be made a part of the
117 driving record of the operator, and may not be used for purposes
118 of setting motor vehicle insurance rates. Points under s. 322.27
119 may not be assessed based upon such enforcement.

120 (d) The procedures set forth in s. 316.1967(2)-(5) apply
121 to an ordinance enacted pursuant to this section, except that
122 the ticket must contain the name and address of the person
123 alleged to be liable as the registered owner of the motor
124 vehicle involved in the violation, the registration number of
125 the motor vehicle, the violation charged, a copy of the recorded
126 images, the location where the violation occurred, the date and
127 time of the violation, information that identifies the device
128 that recorded the violation, and a signed statement by a
129 specifically trained technician employed by the agency or its
130 contractor that, based on inspection of recorded images, the
131 motor vehicle was being operated in violation of s.
132 316.075(1)(c). The ticket must advise the registered owner of
133 the motor vehicle involved in the violation of the amount of the
134 fine, the date by which the fine must be paid, and the procedure
135 for contesting the violation alleged in the ticket. The ticket
136 must contain a warning that failure to contest the violation in
137 the manner and time provided is deemed an admission of the
138 liability and that a default may be entered thereon. The
139 violation shall be processed by the county or municipality that
140 has jurisdiction over the street or highway where the violation

HB 351

2008

141 occurred or by any entity authorized by the county or
142 municipality to prepare and mail the ticket.

143 (e) The ticket shall be sent by first-class mail addressed
144 to the registered owner of the motor vehicle and postmarked no
145 later than 14 days after the date of the violation.

146 (f)1. The registered owner of the motor vehicle involved
147 in a violation is responsible and liable for payment of the fine
148 assessed pursuant to this section unless the owner can establish
149 that:

150 a. The motor vehicle passed through the intersection in
151 order to yield right-of-way to an emergency vehicle or as part
152 of a funeral procession;

153 b. The motor vehicle passed through the intersection at
154 the direction of a law enforcement officer;

155 c. The motor vehicle was stolen at the time of the alleged
156 violation; or

157 d. A uniform traffic citation was issued to the driver of
158 the motor vehicle for the alleged violation of s. 316.075(1)(c).

159 2. In order to establish any such fact, the registered
160 owner of the vehicle must, within 20 days after receipt of
161 notification of the alleged violation, furnish to the county or
162 municipality, as appropriate, an affidavit that sets forth
163 detailed information supporting an exemption as provided in sub-
164 subparagraph 1.a., sub-subparagraph 1.b., sub-subparagraph 1.c.,
165 or sub-subparagraph 1.d. For an exemption under sub-subparagraph
166 1.c., the affidavit must set forth that the vehicle was stolen
167 and be accompanied by a copy of the police report indicating
168 that the vehicle was stolen at the time of the alleged

169 violation. For an exemption under sub-subparagraph 1.d., the
 170 affidavit must set forth that a citation was issued and be
 171 accompanied by a copy of the citation indicating the time of the
 172 alleged violation and the location of the intersection where it
 173 occurred.

174 (g) A person may contest the determination that such
 175 person failed to stop at a traffic control signal steady red
 176 light as evidenced by a traffic infraction detector by electing
 177 to appear before any judge authorized by law to preside over a
 178 court hearing that adjudicates traffic infractions. A person who
 179 elects to appear before the court to present evidence is deemed
 180 to have waived the limitation of civil penalties imposed for the
 181 violation. The court, after hearing, shall determine whether the
 182 violation was committed and may impose a civil penalty not to
 183 exceed \$125 plus costs. The court may take appropriate measures
 184 to enforce collection of any penalty not paid within the time
 185 permitted by the court.

186 (h) A certificate sworn to or affirmed by a person
 187 authorized under s. 316.008 who is employed by or under contract
 188 with the county or municipality where the infraction occurred,
 189 or a facsimile thereof that is based upon inspection of
 190 photographs or other recorded images produced by a traffic
 191 infraction detector, is prima facie evidence of the facts
 192 contained in the certificate. A photograph or other recorded
 193 image evidencing a violation of s. 316.075(1)(c) must be
 194 available for inspection in any proceeding to adjudicate
 195 liability under an ordinance enacted pursuant to this section.

196 (i) In any county or municipality in which tickets are

197 issued as provided in this section, the names of persons who
198 have one or more outstanding violations may be included on the
199 list authorized under s. 316.1967(6).

200 (j) If the driver of the motor vehicle received a citation
201 from a traffic enforcement officer at the time of the violation,
202 a ticket may not be issued pursuant to this section.

203 (k) The uniform traffic citation prepared by the
204 department under s. 316.650 may not be issued for any violation
205 for which a ticket is issued as provided in this section.

206 (2) The fine imposed pursuant to paragraph (1)(a) or
207 paragraph (1)(g) shall be retained by the county or municipality
208 enforcing the ordinance enacted pursuant to this section.

209 (3) A complaint that a county or municipality is employing
210 traffic infraction detectors for purposes other than the
211 promotion of public health, welfare, and safety or in a manner
212 inconsistent with this section may be submitted to the governing
213 body of such county or municipality. Such complaints, along with
214 any investigation and corrective action taken by the county or
215 municipal governing body, shall be included in the annual report
216 to the department and in the department's annual summary report
217 to the Governor, the President of the Senate, and the Speaker of
218 the House Representatives, as required by this section. Based on
219 its review of the report, the Legislature may exclude a county
220 or municipality from further participation in the program.

221 (4)(a) Each county or municipality that operates a traffic
222 infraction detector shall submit an annual report to the
223 department that details the results of using the traffic
224 infraction detector and the procedures for enforcement.

HB 351

2008

225 (b) The department shall provide an annual summary report
226 to the Governor, the President of the Senate, and the Speaker of
227 the House of Representatives regarding the use and operation of
228 traffic infraction detectors under this section. The summary
229 report must include a review of the information submitted to the
230 department by the counties and municipalities and must describe
231 the enhancement of the traffic safety and enforcement programs.
232 The department shall report its recommendations, including any
233 necessary legislation, on or before December 1, 2009, to the
234 Governor, the President of the Senate, and the Speaker of the
235 House of Representatives.

236 Section 4. Subsection (6) of section 316.0745, Florida
237 Statutes, is amended to read:

238 316.0745 Uniform signals and devices.--

239 (6)(a) Any system of traffic control devices controlled
240 and operated from a remote location by electronic computers or
241 similar devices must ~~shall~~ meet all requirements established for
242 the uniform system, and, if where such a system affects systems
243 ~~affect~~ the movement of traffic on state roads, the design of the
244 system must ~~shall~~ be reviewed and approved by the Department of
245 Transportation.

246 (b) Any traffic infraction detector deployed on the
247 streets and highways of the state must meet requirements
248 established by the Department of Transportation and must be
249 tested at regular intervals according to procedures prescribed
250 by that department.

251 Section 5. Subsection (6) of section 316.1967, Florida
252 Statutes, is amended to read:

253 316.1967 Liability for payment of parking ticket
 254 violations and other ~~parking~~ violations.--

255 (6) Any county or municipality may provide by ordinance
 256 that the clerk of the court or the traffic violations bureau
 257 shall supply the department with a magnetically encoded computer
 258 tape reel or cartridge or send by other electronic means data
 259 which is machine readable by the installed computer system at
 260 the department, listing persons who have three or more
 261 outstanding parking violations, including violations of s.
 262 316.1955, or who have one or more outstanding tickets for a
 263 violation of a traffic control signal steady red light
 264 indication issued pursuant an ordinance adopted under s.
 265 316.0083. Each county shall provide by ordinance that the clerk
 266 of the court or the traffic violations bureau shall supply the
 267 department with a magnetically encoded computer tape reel or
 268 cartridge or send by other electronic means data that is machine
 269 readable by the installed computer system at the department,
 270 listing persons who have any outstanding violations of s.
 271 316.1955 or any similar local ordinance that regulates parking
 272 in spaces designated for use by persons who have disabilities.
 273 The department shall mark the appropriate registration records
 274 of persons who are so reported. Section 320.03(8) applies to
 275 each person whose name appears on the list.

276 Section 6. Subsection (8) of section 320.03, Florida
 277 Statutes, reads:

278 320.03 Registration; duties of tax collectors;
 279 International Registration Plan.--

280 (8) If the applicant's name appears on the list referred
281 to in s. 316.1001(4), s. 316.1967(6), or s. 713.78(13), a
282 license plate or revalidation sticker may not be issued until
283 that person's name no longer appears on the list or until the
284 person presents a receipt from the clerk showing that the fines
285 outstanding have been paid. This subsection does not apply to
286 the owner of a leased vehicle if the vehicle is registered in
287 the name of the lessee of the vehicle. The tax collector and the
288 clerk of the court are each entitled to receive monthly, as
289 costs for implementing and administering this subsection, 10
290 percent of the civil penalties and fines recovered from such
291 persons. As used in this subsection, the term "civil penalties
292 and fines" does not include a wrecker operator's lien as
293 described in s. 713.78(13). If the tax collector has private tag
294 agents, such tag agents are entitled to receive a pro rata share
295 of the amount paid to the tax collector, based upon the
296 percentage of license plates and revalidation stickers issued by
297 the tag agent compared to the total issued within the county.
298 The authority of any private agent to issue license plates shall
299 be revoked, after notice and a hearing as provided in chapter
300 120, if he or she issues any license plate or revalidation
301 sticker contrary to the provisions of this subsection. This
302 section applies only to the annual renewal in the owner's birth
303 month of a motor vehicle registration and does not apply to the
304 transfer of a registration of a motor vehicle sold by a motor
305 vehicle dealer licensed under this chapter, except for the
306 transfer of registrations which is inclusive of the annual

307 renewals. This section does not affect the issuance of the title
 308 to a motor vehicle, notwithstanding s. 319.23(7)(b).

309 Section 7. Section 322.264, Florida Statutes, is amended
 310 to read:

311 322.264 "Habitual traffic offender" defined.--A "habitual
 312 traffic offender" is any person whose record, as maintained by
 313 the Department of Highway Safety and Motor Vehicles, shows that
 314 such person has accumulated the specified number of convictions
 315 for offenses described in subsection (1) or subsection (2)
 316 within a 5-year period or the specified number of convictions
 317 for offenses described in subsection (3) within a 3-year period:

318 (1) Three or more convictions of any one or more of the
 319 following offenses arising out of separate acts:

320 (a) Voluntary or involuntary manslaughter resulting from
 321 the operation of a motor vehicle;

 332 privilege is disqualified.

 334 which points may be assessed as set forth in s. 322.27,
 335 including those offenses in subsection (1).

336 (3) Three convictions under s. 316.075 for a violation of
 337 a traffic control signal steady red light indication.

338
 339 Any violation of any federal law, any law of another state or
 340 country, or any valid ordinance of a municipality or county of
 341 another state similar to a statutory prohibition specified in
 342 subsection (1), ~~or~~ subsection (2), or subsection (3) shall be
 343 counted as a violation of such prohibition. In computing the
 344 number of convictions, all convictions during the 5 years
 345 previous to July 1, 1972, will be used, provided at least one
 346 conviction occurs after that date. In computing the number of
 347 convictions for offenses listed in subsection (3), all
 348 convictions during the 3 years preceding July 1, 2008, will be
 349 used, provided at least one conviction occurs after that date.

350 The fact that previous convictions may have resulted in
 351 suspension, revocation, or disqualification under another
 352 section does not exempt them from being used for suspension or
 353 revocation under this section as a habitual offender.

354 Section 8. For the purpose of incorporating the amendment
 355 made by this act to section 322.264, Florida Statutes, in a
 356 reference thereto, subsection (5) of section 322.27, Florida
 357 Statutes, is reenacted to read:

362 such person shall not be eligible to be relicensed for a minimum
363 of 5 years from the date of revocation, except as provided for
364 in s. 322.271. Any person whose license is revoked may, by
365 petition to the department, show cause why his or her license
366 should not be revoked.

367 Section 9. For the purpose of incorporating the amendment
368 made by this act to section 322.264, Florida Statutes, in
369 references thereto, subsections (1), (2), and (5) and paragraph
370 (a) of subsection (8) of section 322.34, Florida Statutes, are
371 reenacted to read:

373 or disqualified.--

374 (1) Except as provided in subsection (2), any person whose
375 driver's license or driving privilege has been canceled,
376 suspended, or revoked, except a "habitual traffic offender" as

 395 775.083, or s. 775.084.

396
 397 The element of knowledge is satisfied if the person has been
 398 previously cited as provided in subsection (1); or the person
 399 admits to knowledge of the cancellation, suspension, or
 400 revocation; or the person received notice as provided in
 401 subsection (4). There shall be a rebuttable presumption that the
 402 knowledge requirement is satisfied if a judgment or order as
 403 provided in subsection (4) appears in the department's records
 404 for any case except for one involving a suspension by the
 405 department for failure to pay a traffic fine or for a financial
 406 responsibility violation.

 413 driving while the person's driver's license or driving privilege
 414 is suspended or revoked, the arresting officer shall determine:

415 1. Whether the person's driver's license is suspended or
416 revoked.

420 3. Whether the suspension or revocation was made under s.
421 316.646 or s. 627.733, relating to failure to maintain required
422 security, or under s. 322.264, relating to habitual traffic
423 offenders.

424 4. Whether the driver is the registered owner or coowner
425 of the vehicle.

426 Section 10. If any provision of this act or its
427 application to any person or circumstance is held invalid, the
428 invalidity does not affect other provisions or applications of
429 this act which can be given effect without the invalid provision
430 or application, and to this end the provisions of this act are
431 declared severable.

432 Section 11. This act shall take effect upon becoming a
433 law.
