3 **Amendment to Amendment (616087) (with title amendment)**

4 Between lines 128 and 129, insert:

5
6 (d) This section shall not be construed so as to require a
7 public or private employer to implement any additional security
8 measures for the protection of employees, customers, or
9 invitees. Implementation of remedial security measures to
10 provide protection to employees, customers, or invitees shall
11 not be admissible in evidence to show prior negligence or breach
12 of duty of a public or private employer in any action against
13 such employer, the officers or shareholders of a public or
14 private employing entity, or property owners.
