FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. HOUSE PRINCIPLES ANALYSIS:

The bill does not appear to implicate any of the House principles.

B. EFFECT OF PROPOSED CHANGES:

Current Situation

Currently, specialty license plates are available to any owner or lessee of a motor vehicle who is willing to pay an annual use fee for the privilege. The particular annual use fees ranging from \$15 to \$25, paid in addition to required license taxes and service fees, are distributed to an organization or organizations in support of a particular cause or charity signified in the plate's design and designated in statute. The Legislature may create a specialty license plate under its own initiative, or it can do so at the request of an organization.

The Bethune-Cookman College license plate was created by an act of the Legislature and enacted into law on February 15, 1997. Section 320.08056(4)(m) authorizes the Bethune-Cookman College specialty license plate. All proceeds collected from the \$25 annual use fee authorized by s.320.08056(4)(m), F.S., are distributed to Bethune-Cookman College and are used to fund academic scholarships. The Department of Highway Safety & Motor Vehicles (DHSMV) reports that sales of the specialty license plate have generated revenues of \$167,575 (FY06/07), \$166,750 (FY05/06) and \$160,550 (FY04/05).

Effect of Proposed Changes

Effective February 14, 2007, Bethune-Cookman College changed its name to Bethune-Cookman University. The Bethune-Cookman College Board of Directors authorized the name change to coincide with the school's accreditation as a Level-III Master's Degree institution by the Southern Association of Colleges and Schools (SACS) Commission on Colleges. The name of the school was legally changed upon filing an amendment to the Articles of Incorporation on file with the Florida Secretary of State on April 9, 2007.

This bill amends s.320.0805(4)(m), F.S., to provide for the "Bethune-Cookman College" specialty license plate to be issued as the "Bethune-Cookman University" specialty license plate. Additionally, the bill conforms s.320.08058(13), F.S., to instruct DHSMV to develop a "Bethune-Cookman University" specialty license plate and distribute annual use fees to Bethune-Cookman University.

C. SECTION DIRECTORY:

Section 1. Amends s. 320.08056(4)(m), F.S., replacing “College” with “University” in statute providing for \$25 annual use fee for issuance of specialty license plate.

Section 2. Amends s. 320.08058(13), F.S., replacing “College” with “University” in statute authorizing issuance of specialty license plate, and replaces “College” with “University” in statute authorizing distribution of annual use fees.

Section 3. Provides and effective date of October 1, 2008.
