6 and insert:

7 Section 17. Paragraph (a) of subsection (7) of section
8 337.11, Florida Statutes, is amended to read:

9 337.11 Contracting authority of department; bids; emergency
10 repairs, supplemental agreements, and change orders; combined
11 design and construction contracts; progress payments; records;
12 requirements of vehicle registration.--

13 (7) (a) If the head of the department determines that it is
14 in the best interests of the public, the department may combine
15 the design and construction phases of a building, a major bridge,
16 a limited access facility, or a rail corridor project into a
17 single contract. Such contract is referred to as a design-build

18 | contract. The department's goal shall be to procure up to 25
 19 | percent of the construction contracts that add capacity in the 5-
 20 | year adopted work program as design-build contracts by July 1,
 21 | 2013. Design-build contracts may be advertised and awarded
 22 | notwithstanding the requirements of paragraph (3)(c). However,
 23 | construction activities may not begin on any portion of such
 24 | projects for which the department has not yet obtained title to
 25 | the necessary rights-of-way and easements for the construction of
 26 | that portion of the project has vested in the state or a local
 27 | governmental entity and all railroad crossing and utility
 28 | agreements have been executed. Title to rights-of-way shall be
 29 | deemed to have vested in the state when the title has been
 30 | dedicated to the public or acquired by prescription.
