

Amendment No.

CHAMBER ACTION

Senate

House

.

---

1 Representative Long offered the following:

2  
3 **Amendment (with title amendment)**

4 Between lines 1201 and 1202, insert:

5 (3) St. Petersburg College may work with the Florida  
6 Community College System and may consult with the University of  
7 Florida to provide training and educational opportunities that  
8 will ensure that green building rating system certifying agents  
9 (accredited professionals who possess a knowledge and  
10 understanding of green building processes, practices, and  
11 principles) are available to work with the entities specified in  
12 subsection (2) as they construct public buildings to meet green  
13 building rating system standards. St. Petersburg College may  
14 work with the construction industry to develop online continuing  
15 education curriculum for use statewide by builders constructing  
16 energy-efficient and sustainable public-sector buildings and
