

Amendment No.

CHAMBER ACTION

Senate

House

.

Representative Pickens offered the following:

**Amendment (with title amendment)**

Between lines 5707 and 5708, insert:

Section 105. The amendment to the definition of "certification" under s. 403.503, Florida Statutes, made by this act is not intended to affect and shall not affect the scope of the authority of the Secretary of Environmental Protection under s. 403.509, Florida Statutes, with respect to any pending application for certification being contested before an appellate tribunal on or before the effective date of this act.

-----  
**T I T L E A M E N D M E N T**

Remove line 345 and insert:

HOUSE AMENDMENT

Bill No. HB 7135

Amendment No.

16 biomass as fuel; providing that specified authority of the  
17 Secretary of Environmental Protection is unaffected by certain  
18 provisions of the act; repealing s. 377.701, F.S., relating to

960303
