House

.

1 Representative Mayfield offered the following:

2
3 **Amendment (with title amendment)**

4 Between lines 1168 and 1169, insert:

5 Section 7. Subsection (4) is added to section 373.086,
6 Florida Statutes, to read:

7 373.086 Providing for district works.--

8 (4) When the governing board of a water management
9 district declares a water shortage emergency, the district shall
10 protect its resources through augmentation of water supplies and
11 implementation of its water shortage rules. Water supply
12 augmentation for Lake Okeechobee shall take place when:

13 (a) A water shortage emergency has been declared.

14 (b) Water restrictions for the Lake Okeechobee Service
15 Area have been implemented.

16 (c) The lake stage falls below 11 feet.

Amendment No.

17 (d) Concentrations of phosphorus in augmentation water are
18 lower than phosphorus concentrations in in-lake average
19 phosphorus concentrations.

20
21 The augmentation shall cease when water restrictions are lifted.
22 These measures will help prevent exceedance of the state's
23 minimum flows and levels rule for selected water bodies as well
24 as assure recovery of littoral zone habitat and protect
25 navigation and water supply.
