 8 3. An assessment of the capacity of service providers and
 9 their ability to meet the needs of the residents in the
 10 communities where residents will likely reside after they leave
 11 the institution.

12 4. A plan for service provider recruitment, development,
 13 and training, as needed, to ensure that adequate services are
 14 available to residents as they make the transition into the
 15 community.

145552

16 5. A plan for monitoring and ensuring safety and service
17 quality for residents after they have left the institution.

18 6. A process for developing a support plan that includes
19 consultation with the residents and their guardians for
20 providing services and other residential placement plans for
21 residents after they leave the institution.

22 7. A plan for adjusting employee staffing levels during
23 the census reduction or transition to closure to ensure the
24 safety of and quality of care for residents and assistance for
25 employees seeking new employment.

26 8. A complete timeline for closure of or census reduction
27 at the institution which includes a financial plan for the
28 closure or census reduction and the projected savings associated
29 with the closure or census reduction.

30 9. A communications plan to keep residents, guardians of
31 residents, designated family members, employees, and designees
32 informed of the progress of the closure or census reduction.

33 10. The responsibility of each state agency involved in
34 the closure of or census reduction at the institution.

35 11. A plan for closure activities and the disposition of
36 property of the physical plant of the institution.
