1 Representative Grant offered the following:

2
3 **Amendment to Amendment (628963)**

4 Remove lines 261-270 and insert:

5 Section 6. It is the express intent of the Legislature
6 that a taxpayer shall never have the burden of proving that the
7 property appraiser's assessment is not supported by any
8 reasonable hypothesis of a legal assessment. It is the further
9 intent of the Legislature that any cases of law published since
10 1997 applying the every-reasonable-hypothesis burden of proof to
11 uphold the property appraiser's assessment are expressly
12 rejected to the extent that they are interpretive of legislative
13 intent.
