	.	

The Committee on Banking and Insurance (Fasano) recommended the following:

Senate Amendment (with title amendment)

Delete lines 21 - 39
and insert:

(a) To any individual who is 65 years of age or older, or younger than 65 years of age and eligible for Medicare due to having a disability or end-stage renal disease, and who resides in this state, upon the request of the individual during the 6-month period beginning with the first month in which the individual has attained 65 years of age, or is eligible for Medicare due to having a disability or end-stage renal disease,

836234

12 and is enrolled in Medicare Part ~~part~~ B. ~~or~~

13 (b) To any individual who is 65 years of age or older, or
14 younger than 65 years of age and eligible for Medicare due to
15 having a disability or end-stage renal disease, and is enrolled
16 in Medicare Part ~~part~~ B, who resides in this state, upon the
17 request of the individual during the 2-month period following
18 termination of coverage under a group health insurance policy.

19 (c) To any individual residing in this state who is younger
20 than 65 years of age, who is eligible for Medicare due to having
21 a disability or end-stage renal disease and otherwise eligible
22 under this subsection, who first enrolled in Medicare Part B
23 before July 1, 2009, and who requests the opportunity to enroll
24 in a Medicare supplement policy on or before January 1, 2010.

25
26 A Medicare supplement policy issued to an individual under
27 paragraph (a), ~~or~~ paragraph (b), or paragraph (c) may not
28 exclude benefits based on

29
30 ===== T I T L E A M E N D M E N T =====

31 And the title is amended as follows:

32 Delete lines 3 - 6

33 and insert:

34 F.S.; requiring that an insurer issuing Medicare supplement
35 policies in this state offer the opportunity to enroll in a
36 Medicare supplement policy to certain individuals younger than
37 65 years of age who are eligible for Medicare due to a
38 disability or end-stage renal disease and under certain
39 specified conditions; providing an effective
