Senator King moved the following:

**Senate Amendment (with title amendment)**

Delete line 266

and insert:

(6) If Congress enacts a requirement that any portion of an electric utility's energy sales, demand or other measures of the provision of electricity to its customers, be derived from renewable energy, however defined, either produced by the electric utility itself or purchased from another source, or through credits purchased to comply in whole or in part with such provisions, subsections (1)-(5) shall stand repealed unless reviewed and saved from repeal through reenactment by the

108576

13 Legislature.

14 (7)~~(4)~~ In order to demonstrate the feasibility and

17 And the title is amended as follows:

18 Delete line 12

19 and insert:

20 to the Legislature; providing for repeal of certain  
21 provisions upon the enactment of a federal requirement  
22 that any portion of an electric utility's energy  
23 sales, demand or other measures of the provision of  
24 electricity to its customers, be derived from  
25 renewable energy, unless reviewed and reenacted by the  
26 Legislature; amending s. 366.93, F.S.;
