5 Section 6. Subsection (10) is added to section 320.03,
6 Florida Statutes, to read:

7 320.03 Registration; duties of tax collectors;
8 International Registration Plan.--

9 (10) Jurisdiction over the outsourced electronic filing
10 system for use by licensed motor vehicle dealers electronically
11 to title and to register motor vehicles and to issue or to
12 transfer registration license plates or decals is expressly
13 preempted to the state. The department shall continue its
14 current outsourcing of the existing electronic filing system,
15 including its program standards. The electronic filing system is
16 approved for use in all counties, shall apply uniformly to all

Amendment No.

17 tax collectors of the state, and no tax collector may add or
18 detract from the program standards in his or her respective
19 county. A motor vehicle dealer licensed under this chapter may
20 charge a fee to the customer for use of the electronic filing
21 system and such fee is not a component of the program standards.
22 Final authority over disputes relating to program standards lies
23 with the department. By January 1, 2010, the Office of Program
24 Policy Analysis and Government Accountability, with input from
25 the department and from affected parties, including tax
26 collectors, service providers, and motor vehicle dealers, shall
27 report to the President of the Senate and the Speaker of the
28 House of Representatives on the status of the outsourced
29 electronic filing system, including the program standards, and
30 its compliance with this subsection. The report shall identify
31 all public and private alternatives for continued operation of
32 the electronic filing system and shall include any and all
33 appropriate recommendations, including revisions to the program
34 standards.
