Senate Amendment (with title amendment)

Between lines 440 and 441

insert:

Section 4. Subsection (6) of section 395.003, Florida Statutes, is amended to read:

395.003 Licensure; denial, suspension, and revocation.—

(6) A ~~No~~ specialty hospital may not ~~shall~~ provide any service or regularly serve any population group beyond those services or groups specified in its license. A specialty-licensed children's hospital that is authorized to provide pediatric cardiac catheterization and pediatric open heart

162158

13 surgery services may provide cardiovascular service to adults
14 who, as children, were previously served by the hospital for
15 congenital heart disease, or to those patients who are referred
16 for a specialized procedure only for congenital heart disease by
17 an adult hospital, without obtaining additional licensure as a
18 provider of adult cardiovascular services. The agency may
19 request documentation as needed to support patient selection and
20 treatment. This subsection does not apply to a specialty-
21 licensed children's hospital that is already licensed to provide
22 adult cardiovascular services.
