	.	

The Committee on General Government Appropriations (Aronberg) recommended the following:

Senate Amendment

Delete lines 660 - 682
and insert:
rule; for failure to submit a site assessment report; or for failure to conduct remediation or monitoring activities until a no-further-action or site-rehabilitation completion order has been issued. ~~The department shall assess~~

2. A penalty of \$3,000 for failure to timely upgrade a storage tank system or to timely assess or remediate petroleum contamination as required by department rule. ~~The department~~

113934

12 ~~shall assess~~

13 3. A penalty of \$2,000 for failure to conduct or maintain
14 required release detection; failure to timely investigate a
15 suspected release from a storage system as required by
16 department rule; depositing motor fuel into an unregistered
17 storage tank system; ~~failure to timely assess or remediate~~
18 ~~petroleum contamination~~; or failure to properly install a
19 storage tank system. ~~The department shall assess~~

20 4. A penalty of \$1,000 for failure to properly operate,
21 maintain, repair, or close a storage tank system.

22 (h) For contaminated site rehabilitation violations, the
23 department shall assess:

24 1. A penalty of \$5,000 for failure to submit a complete
25 site assessment report; for failure to provide notice of
26 contamination beyond property boundaries or complete a well
27 survey as required by department rules; for the use or injection
28 of substances or materials
