	.	

---

The Committee on Transportation (Siplin) recommended the following:

**Senate Amendment**

Delete lines 62 - 76  
and insert:  
department's enabling legislation. Because the Legislature recognizes the private entities or consortia thereof would perform a governmental or public purpose or function, the transportation facilities, together with any interest of, revenues received by, and payments made to the state by any private entities or consortia thereof, and together with any such agreements, are exempt from all taxes and special

896354

12 assessments of the state or any city, town, county, special  
13 district, or political subdivision of the state, including  
14 without limitation, ad valorem taxes, to the extent the property  
15 is owned by the state or other government entity, documentary  
16 stamp taxes, intangible taxes, and any sales taxes; but excluded  
17 from such exemption are any applicable corporate taxes,  
18 unemployment compensation taxes, any taxes due as a result of  
19 subleases, sublicenses, or retail sales agreements, and any  
20 sales tax due on the sale of tangible personal property.
