Senator Haridopolos moved the following:

Senate Amendment

Delete lines 61 - 71

and insert:

to s. 287.055; and

(b) Agree to follow the advertising and competitive bidding procedures that the department is required to follow if the department is managing the construction project directly.

(3) The department's authority under subsection (2) includes entering into a continuing contract for construction projects in which the estimated construction cost of each individual project under the contract does not exceed \$2
