Senator Pruitt moved the following:

Senate Amendment

Delete lines 478 - 485
and insert:

(f) The Florida college to obtain from the Commission on
Colleges of the Southern Association of Colleges and Schools
accreditation as a baccalaureate-degree-granting institution if
approved by the State Board of Education to offer its first
baccalaureate degree program.

(g) The Florida college to notify the Commission on
Colleges of the Southern Association of Colleges and Schools of
subsequent degree programs that are approved by the State Board

243324

13 of Education and to comply with the association's required
14 substantive change protocols for accreditation purposes.
