6 (h) Amendment of bylaws.

7 1. The method by which the bylaws may be amended consistent
8 with the provisions of this chapter shall be stated. If the
9 bylaws fail to provide a method of amendment, the bylaws may be
10 amended if the amendment is approved by the owners of not less
11 than two-thirds of the voting interests.

12 2. No bylaw shall be revised or amended by reference to its
13 title or number only. Proposals to amend existing bylaws shall

14 contain the full text of the bylaws to be amended; new words
15 shall be inserted in the text underlined, and words to be
16 deleted shall be lined through with hyphens. However, if the
17 proposed change is so extensive that this procedure would
18 hinder, rather than assist, the understanding of the proposed
19 amendment, it is not necessary to use underlining and hyphens as
20 indicators of words added or deleted, but, instead, a notation
21 must be inserted immediately preceding the proposed amendment in
22 substantially the following language: "Substantial rewording of
23 bylaw. See bylaw _____ for present text."

24 3. Nonmaterial errors or omissions in the bylaw process
25 will not invalidate an otherwise properly promulgated amendment.

26 4. If the bylaws provide for amendment by the board of
27 administration, no bylaw may be amended unless it is heard and
28 noticed at two consecutive meetings of the board of
29 administration that are at least 1 week apart.
