The Committee on Environmental Preservation and Conservation
(Constantine) recommended the following:

Senate Amendment to Amendment (768904)

Delete lines 392 - 403
and insert:

(2) The Department of Agriculture and Consumer Services shall be the lead agency in coordinating the reduction of agricultural nonpoint sources of pollution for springs protection. The Department of Agriculture and Consumer Services, and the department pursuant to s. 403.067(7)(c)4, shall study and if necessary, in cooperation with the other cooperating entities, applicable local governments and stakeholders,

184610

12 initiate rulemaking to implement new or revised best management
13 practices for improving and protecting springs. As needed to
14 implement the new or revised practices, the Department of
15 Agriculture and Consumer Services, shall revise its best
16 management practices rules to require implementation of the
17 modified practice within a reasonable time period as specified
18 in the rule.
