The Committee on General Government Appropriations (Dean)  
recommended the following:

**Senate Amendment (with title amendment)**

Between lines 1394 and 1395  
insert:

Section 25. In order to protect the natural system of Florida's springs, which are acquired in public-ownership for conservation of both land and water-related resources as provided in chapters 187 and 259, Florida Statutes, the issuance of permits for the source of natural-spring water for food products and the transfer of natural-spring water in bulk or bottled across state boundaries as provided in chapter 500, Florida Statutes, is prohibited if such permit is for the

633416

13 private gain of a natural-spring water bottled water plant  
14 operation.

15  
16 ===== T I T L E A M E N D M E N T =====

17 And the title is amended as follows:

18       Delete line 112

19 and insert:

20       date; prohibiting the issuance of permits for the  
21       source of natural-spring water for food products and  
22       the transfer of natural-spring water in bulk or  
23       bottled across state boundaries for private gain to  
24       protect the state's springs; providing effective  
25       dates.
