	.	

The Committee on Community Affairs (Altman) recommended the following:

Senate Amendment

Delete lines 166 - 179
and insert:

(3) The department is directed to develop rules and standards that provide the minimum scientific methodologies, data, or tools that shall be used by a county or municipal government to support the request for an exemption as provided for in subsection (4).

(4) A county or municipal government, upon application to the department, may seek to have specific geographic areas

749992

12 exempted from the requirements of sections 369.405 and 369.406
13 by demonstrating that activities within such areas will not
14 impact the springshed in a manner that leads to new or continued
15 degradation.

16 (5) Pursuant to subsection (4), the department may approve
17 or deny an application for an exemption, or may modify the
18 boundaries of the specific geographic areas for which an
19 exemption is sought. The ruling of the department on the
20 applicant's request shall constitute a final agency action
21 subject to review pursuant to ss. 120.569 and 120.57.
