165 dealer. The derelict motor vehicle certificate application shall
166 be used by the seller or owner, the seller's or owner's
167 authorized transporter, and the licensed salvage motor vehicle
168 dealer to obtain a derelict motor vehicle certificate from the
169 department. The identifying number on the personal
170 identification card of the seller or owner must be recorded on
171 the derelict motor vehicle certification application. The
172 derelict motor vehicle certificate application must be
173 accompanied by a copy of the seller's or owner's personal

191 derelict motor vehicle certificate application; does not
192 complete the derelict motor vehicle certificate application as
193 required; does not obtain a copy of the seller or owner's
194 personal identification card when required; or does not make the
195 required notification to the department; or destroys or
196 dismantles a derelict motor vehicle without waiting the required
197 3 full business days commits a felony of the third degree,
198 punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

199 (3) (a) 1. As used in this section, a motor vehicle or
200 mobile home is a "total loss":

201 a. When an insurance company pays the vehicle owner to
202 replace the wrecked or damaged vehicle with one of like kind and
203 quality or when an insurance company pays the owner upon the
204 theft of the motor vehicle or mobile home; or

205 b. When an uninsured motor vehicle or mobile home is
206 wrecked or damaged and the cost, at the time of loss, of
207 repairing or rebuilding the vehicle is 80 percent or more of the
208 cost to the owner of replacing the wrecked or damaged motor
209 vehicle or mobile home with one of like kind and quality.

210 2. A motor vehicle or mobile home shall not be considered
211 a "total loss" if the insurance company and owner of a motor
212 vehicle or mobile home agree to repair, rather than to replace,
213 the motor vehicle or mobile home. However, if the actual cost to
214 repair the motor vehicle or mobile home to the insurance company
215 exceeds 100 percent of the cost of replacing the wrecked or
216 damaged motor vehicle or mobile home with one of like kind and
217 quality, the owner shall forward to the department, within 72
218 hours after the agreement, a request to brand the certificate of
219 title with the words "Total Loss Vehicle." Such a brand shall

220 become a part of the vehicle's title history.

221 (b) The owner, including persons who are self-insured, of
222 any motor vehicle or mobile home which is considered to be
223 salvage shall, within 72 hours after the motor vehicle or mobile
224 home becomes salvage, forward the title to the motor vehicle or
225 mobile home to the department for processing. However, an
226 insurance company which pays money as compensation for total
227 loss of a motor vehicle or mobile home shall obtain the
228 certificate of title for the motor vehicle or mobile home and,
229 within 72 hours after receiving such certificate of title, shall
230 forward such title to the department for processing. The owner
231 or insurance company, as the case may be, may not dispose of a
232 vehicle or mobile home that is a total loss before it has
233 obtained a salvage certificate of title or certificate of
234 destruction from the department. When applying for a salvage
235 certificate of title or certificate of destruction, the owner or
236 insurance company must provide the department with an estimate
237 of the costs of repairing the physical and mechanical damage
238 suffered by the vehicle for which a salvage certificate of title
239 or certificate of destruction is sought. If the estimated costs
240 of repairing the physical and mechanical damage to the vehicle
241 are equal to 80 percent or more of the current retail cost of
242 the vehicle, as established in any official used car or used
243 mobile home guide, the department shall declare the vehicle
244 unbuildable and print a certificate of destruction, which
245 authorizes the dismantling or destruction of the motor vehicle
246 or mobile home described therein. However, if the damaged motor
247 vehicle is equipped with custom-lowered floors for wheelchair
248 access or a wheelchair lift, the insurance company may, upon

249 determining that the vehicle is repairable to a condition that
250 is safe for operation on public roads, submit the certificate of
251 title to the department for reissuance as a salvage rebuildable
252 title and the addition of a title brand of "insurance-declared
253 total loss." The certificate of destruction shall be
254 reassignable a maximum of two times before dismantling or
255 destruction of the vehicle shall be required, and shall
256 accompany the motor vehicle or mobile home for which it is
257 issued, when such motor vehicle or mobile home is sold for such
258 purposes, in lieu of a certificate of title, and, thereafter,
259 the department shall refuse issuance of any certificate of title
260 for that vehicle. Nothing in this subsection shall be applicable
261 when a vehicle is worth less than \$1,500 retail in undamaged
262 condition in any official used motor vehicle guide or used
263 mobile home guide or when a stolen motor vehicle or mobile home
264 is recovered in substantially intact condition and is readily
265 resalable without extensive repairs to or replacement of the
266 frame or engine. Any person who willfully and deliberately
267 violates this paragraph or falsifies any document to avoid the
268 requirements of this paragraph commits a misdemeanor of the
269 first degree, punishable as provided in s. 775.082 or s.
270 775.083.

271 (4) It is unlawful for any person to have in his or her
272 possession any motor vehicle or mobile home when the
273 manufacturer's or state-assigned identification number plate or
274 serial plate has been removed therefrom.

275 (a) Nothing in this subsection shall be applicable when a
276 vehicle defined in this section as a derelict or salvage was
277 purchased or acquired from a foreign state requiring such

278 vehicle's identification number plate to be surrendered to such
279 state, provided the person shall have an affidavit from the
280 seller describing the vehicle by manufacturer's serial number
281 and the state to which such vehicle's identification number
282 plate was surrendered.

283 (b) Nothing in this subsection shall be applicable if a
284 certificate of destruction has been obtained for the vehicle.

285 (5) (a) It is unlawful for any person to knowingly possess,
286 sell, or exchange, offer to sell or exchange, or give away any
287 certificate of title or manufacturer's or state-assigned
288 identification number plate or serial plate of any motor
289 vehicle, mobile home, or derelict that has been sold as salvage
290 contrary to the provisions of this section, and it is unlawful
291 for any person to authorize, direct, aid in, or consent to the
292 possession, sale, or exchange or to offer to sell, exchange, or
293 give away such certificate of title or manufacturer's or state-
294 assigned identification number plate or serial plate.

295 (b) It is unlawful for any person to knowingly possess,
296 sell, or exchange, offer to sell or exchange, or give away any
297 manufacturer's or state-assigned identification number plate or
298 serial plate of any motor vehicle or mobile home that has been
299 removed from the motor vehicle or mobile home for which it was
300 manufactured, and it is unlawful for any person to authorize,
301 direct, aid in, or consent to the possession, sale, or exchange
302 or to offer to sell, exchange, or give away such manufacturer's
303 or state-assigned identification number plate or serial plate.

304 (c) This chapter does not apply to anyone who removes,
305 possesses, or replaces a manufacturer's or state-assigned
306 identification number plate, in the course of performing repairs

307 on a vehicle, that require such removal or replacement. If the
308 repair requires replacement of a vehicle part that contains the
309 manufacturer's or state-assigned identification number plate,
310 the manufacturer's or state-assigned identification number plate
311 that is assigned to the vehicle being repaired will be installed
312 on the replacement part. The manufacturer's or state-assigned
313 identification number plate that was removed from this
314 replacement part will be installed on the part that was removed
315 from the vehicle being repaired.

316 (6) (a) In the event of a purchase by a salvage motor
317 vehicle dealer of materials or major component parts for any
318 reason, the purchaser shall:

319 1. For each item of materials or major component parts
320 purchased, the salvage motor vehicle dealer shall record the
321 date of purchase and the name, address, and personal
322 identification card number of the person selling such items, as
323 well as the vehicle identification number, if available.

324 2. With respect to each item of materials or major
325 component parts purchased, obtain such documentation as may be
326 required by subsection (2).

327 (b) Any person who violates this subsection commits a

329 775.082, s. 775.083, or s. 775.084.

330 (7) (a) In the event of a purchase by a secondary metals
331 recycler, that has been issued a certificate of registration
332 number, of:

333 1. Materials, prepared materials, or parts from any seller
334 for purposes other than the processing of such materials,
335 prepared materials, or parts, the purchaser shall obtain such

338 personal identification card number of the person delivering
339 such items.

340 2. Parts or prepared materials from any seller for
341 purposes of the processing of such parts or prepared materials,
342 the purchaser shall record the seller's name and address and
343 date of purchase and, in the event of a purchase transaction
344 consisting primarily of parts or prepared materials, the
345 personal identification card number of the person delivering
346 such items.

347 3. Materials from another secondary metals recycler for
348 purposes of the processing of such materials, the purchaser
