

Amendment No.

CHAMBER ACTION

Senate

House

.

Rules & Calendar Council offered the following:

Technical Amendment to Amendment (981323)

Remove lines 565-618

Remove line 694 and insert:

the improvement. The cost of any improvements to a regionally significant transportation facility constructed by the owner or developer of the development of regional impact, including the costs associated with accommodating a transit facility within the development of regional impact which is in a county's or the Department of Transportation's long-range plan, shall be credited against a development of regional impact's proportionate-share contribution. Proportionate-share mitigation shall be limited
