13 land use plan element shall include criteria to be used to
14 achieve the compatibility of adjacent or closely proximate lands
15 with military installations. In addition, for rural communities,
16 rural areas and counties designated as a rural area of critical
17 economic concern pursuant to s. 288.0656, the amount of land
18 designated for future planned land ~~industrial~~ use shall be based
19 upon surveys and studies that reflect the need for job creation,
20 capital investment, and the necessity to strengthen and
21 diversify the local economies, and shall not be limited ~~solely~~
22 by the projected population or current economy of the rural
23 community, rural area, or rural area of critical economic
24 concern. The future land use plan of a county may also
