The Committee on Community Affairs (Bennett) recommended the following:

**Senate Amendment (with title amendment)**

Between lines 432 and 433  
insert:

Section 6. Subsection (12) is added to section 403.814, Florida Statutes, to read:

403.814 General permits; delegation.-

(12) The department and the water management districts shall expand the use of Internet self-certification to be used by applicants for appropriate exemptions and general permits issued by the department and the districts. The department and

206640

12 the districts shall identify and develop general permits for  
13 activities for which review may be expedited through the use of  
14 professional certification. Such activities include specified  
15 stormwater treatment and stormwater management systems not  
16 located in wetlands or other surface waters. The department and  
17 the water management districts shall submit a progress report on  
18 efforts to expand the use of Internet based self-certification  
19 and expedited review through the use of professional  
20 certifications to the President of the Senate and the Speaker of  
21 the House of Representatives by January 15, 2010.

24 And the title is amended as follows:

25 Delete line 40

26 and insert:

27 preparing and signing permit applications; amending s. 403.814,  
28 F.S.; directing the Department of Environmental Protection and  
29 the water management districts to expand the use of Internet  
30 based self-certification; requiring the department and the  
31 districts to identify general permits for which expedited review  
32 may be implemented through the use of professional  
33 certifications; providing for a report; repealing
