LEGISLATIVE ACTION

Senate	.	House
Comm: WD	.	
03/10/2009	.	
	.	
	.	
	.	

The Committee on Transportation (Baker) recommended the following:

Senate Amendment (with title amendment)

Delete lines 8 - 9
and insert:

Section 1. Subsection (2) of section 337.0261, Florida Statutes, is amended to read:

337.0261 Construction aggregate materials.—

(2) LEGISLATIVE INTENT.—The Legislature finds that there is a strategic and critical need for an available supply of construction aggregate materials within the state and that a disruption of the supply would cause a significant detriment to

189500

12 the state's construction industry, transportation system, and
13 overall health, safety, and welfare. In addition, the
14 Legislature recognizes that construction aggregate materials
15 mining is an industry of critical importance to the State and
16 that the mining of construction aggregate materials is in the
17 public interest.
