The Committee on Transportation (Bullard) recommended the following:

Senate Amendment (with title amendment)

Delete lines 8 - 9
and insert:

Section 1. The Department of Transportation, in consultation with the Department of Law Enforcement, the Department of Environmental Protection, the Division of Emergency Management of the Department of Community Affairs, the Office of Tourism, Trade, and Economic Development, affected metropolitan planning organizations, and regional planning councils within whose jurisdictional area the I-95 corridor

526060

12 lies, shall complete a study of transportation alternatives for
13 the travel corridor parallel to Interstate 95 which takes into
14 account the transportation, emergency management, homeland
15 security, and economic development needs of the state. The
16 report must include identification of cost-effective measures
17 that may be implemented to alleviate congestion on Interstate
18 95, facilitate emergency and security responses, and foster
19 economic development. The Department of Transportation shall
20 send the report to the Governor, the President of the Senate,
21 the Speaker of the House of Representatives, and each affected
22 metropolitan planning organization by June 30, 2010.
