	.	

The Committee on General Government Appropriations (Dean)
recommended the following:

Senate Amendment to Amendment (484100)

Delete lines 127 - 141

and insert:

impaired by nutrients pursuant to s. 403.067, shall, at a minimum, adopt the department's Model Ordinance for Florida-Friendly Fertilizer Use on Urban Landscapes. A local government may adopt additional or more stringent standards than the model ordinance if the following criteria are met:

a. The local government has demonstrated, as part of a comprehensive program to address nonpoint sources of nutrient

359734

12 pollution which is science-based, and economically and
13 technically feasible, that additional or more stringent
14 standards to the model ordinance are necessary to adequately
15 address urban fertilizer contributions to nonpoint source
16 nutrient loading to a water body.

17 b. The local government has documented its consideration of
18 all relevant scientific information including input from the
19 department, the institute, and the Department of Agriculture and
20 Consumer
