

Amendment No.

CHAMBER ACTION

Senate

House

.

---

Representative Hays offered the following:

**Amendment (with title amendment)**

Between lines 34 and 35, insert:

Section 3. (1) Upon completion of the project to develop passive strategies for nitrogen reduction that complement use of conventional onsite wastewater treatment systems as provided in Specific Appropriation 1682 of the 2008-2009 General Appropriations Act, the Department of Health shall submit a final report to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(2) Notwithstanding s. 369.318(2), Florida Statutes, the Department of Health shall suspend rulemaking to achieve nitrogen reductions protective of groundwater quality within the Wekiva Study Area until completion of the project described in 720901

Approved For Filing: 4/13/2009 11:03:49 AM

Amendment No.

17 subsection (1). Upon adjournment sine die of the next regular  
18 session of the Legislature that begins after the Department of  
19 Health submits the project's final report, the department shall  
20 resume rulemaking to achieve nitrogen reductions protective of  
21 groundwater quality within the Wekiva Study Area.

22  
23 -----  
24 **T I T L E A M E N D M E N T**

25 Remove line 9 and insert:

26 positions; requiring the Department of Health to submit a  
27 final report to the Governor's office and presiding  
28 officers of the Legislature upon completion of a specified  
29 project relating to the reduction of nitrogen in  
30 groundwater; requiring the department to suspend  
31 rulemaking relating to nitrogen reduction within the  
32 Wekiva Study Area until completion of the project and  
33 resume the rulemaking at a specified time after the  
34 department submits the project's final report; providing  
35 an effective date.
