

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Hays offered the following:

2
3 **Amendment (with title amendment)**

4 Between lines 30 and 31, insert:

5 Section 3. (1) Upon completion of the project to develop
6 passive strategies for nitrogen reduction that complement use of
7 conventional onsite wastewater treatment systems as provided in
8 Specific Appropriation 1682 of the 2008-2009 General
9 Appropriations Act, the Department of Health shall submit a
10 final report to the Executive Office of the Governor, the
11 President of the Senate, and the Speaker of the House of
12 Representatives.

13 (2) Notwithstanding s. 369.318(2), Florida Statutes, the
14 Department of Health shall suspend rulemaking to achieve
15 nitrogen reductions protective of groundwater quality within the
16 Wekiva Study Area until completion of the project described in
517957

Approved For Filing: 4/13/2009 11:03:40 AM

Amendment No.

17 subsection (1). Upon adjournment sine die of the next regular
18 session of the Legislature that begins after the Department of
19 Health submits the project's final report, the department shall
20 resume rulemaking to achieve nitrogen reductions protective of
21 groundwater quality within the Wekiva Study Area.

22
23 -----

24 **T I T L E A M E N D M E N T**

25 Remove line 11 and insert:
26 executed pursuant thereto; requiring the Department of
27 Health to submit a final report to the Governor's office
28 and presiding officers of the Legislature upon completion
29 of a specified project relating to the reduction of
30 nitrogen in groundwater; requiring the department to
31 suspend rulemaking relating to nitrogen reduction within
32 the Wekiva Study Area until completion of the project and
33 resume the rulemaking at a specified time after the
34 department submits the project's final report; providing
35 an effective date.
