

Amendment No.

CHAMBER ACTION

Senate

House

.

---

Representative Hays offered the following:

**Amendment (with title amendment)**

Between lines 443 and 444, insert:

Section 15. Effective upon this act becoming a law:

(1) Upon completion of the project to develop passive strategies for nitrogen reduction that complement use of conventional onsite wastewater treatment systems as provided in Specific Appropriation 1682 of the 2008-2009 General Appropriations Act, the Department of Health shall submit a final report to the Executive Office of the Governor, the President of the Senate, and the Speaker of the House of Representatives.

(2) Notwithstanding s. 369.318(2), Florida Statutes, the Department of Health shall suspend rulemaking to achieve nitrogen reductions protective of groundwater quality within the  
876383

Approved For Filing: 4/13/2009 11:03:33 AM

Amendment No.

17 Wekiva Study Area until completion of the project described in  
18 subsection (1). Upon adjournment sine die of the next regular  
19 session of the Legislature that begins after the Department of  
20 Health submits the project's final report, the department shall  
21 resume rulemaking to achieve nitrogen reductions protective of  
22 groundwater quality within the Wekiva Study Area.

23  
24 -----  
25 **T I T L E A M E N D M E N T**

26 Between lines 41 and 42, insert:

27 requiring the Department of Health to submit a final report to  
28 the Governor's office and presiding officers of the Legislature  
29 upon completion of a specified project relating to the reduction  
30 of nitrogen in groundwater; requiring the department to suspend  
31 rulemaking relating to nitrogen reduction within the Wekiva  
32 Study Area until completion of the project and resume the  
33 rulemaking at a specified time after the department submits the  
34 project's final report;
