

HB 559

2009

1 A bill to be entitled
2 An act relating to mosquito control districts; creating s.
3 388.296, F.S.; requiring the board of commissioners in
4 mosquito control districts containing Outstanding Florida
5 Waters to consult and coordinate with the Department of
6 Agriculture and Consumer Services and water management
7 districts to determine certain adverse effects and develop
8 mitigation plans for such adverse effects; specifying
9 dates for the adoption and implementation of mitigation
10 plans; authorizing the board to levy taxes for specified
11 purposes; providing an effective date.

12
13 Be It Enacted by the Legislature of the State of Florida:

14
15 Section 1. Section 388.296, Florida Statutes, is created
16 to read:

17 388.296 Mitigation plans.--The board of commissioners in a
18 district containing Outstanding Florida Waters shall, in
19 coordination with the department and the appropriate water
20 management district, determine if the activities of the district
21 have had any adverse effects on such waters. If it is determined
22 that adverse effects have occurred as a result of the district's
23 activities, the board shall, in consultation with the
24 appropriate water management district, develop a plan that the
25 board finds to be technically and economically feasible for the
26 mitigation of such adverse effects. The mitigation plan shall be
27 adopted by the district no later than July 1, 2010, and shall be
28 implemented beginning in the district's 2010-2011 fiscal year.

HB 559

2009

29 | The board may levy taxes under s. 388.221 for the purposes of
30 | this section.

31 | Section 2. This act shall take effect July 1, 2009.
