SUMMARY ANALYSIS

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not “officially” change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

HB 565 designates the following honorary road:

- That portion of N.W. 79th Street between N.W. 6th Avenue and E. 12th Avenue in Miami-Dade County is designated as “Miss Lillie Williams Boulevard.”

The Florida Department of Transportation (FDOT) is directed to erect suitable markers designating the honorary road. The markers will cost an estimated \$400 each. Assuming that two markers will be erected for the designation, the estimated fiscal impact to FDOT will be \$800. This includes maintenance and installation costs.

HB 565 does not create any constitutional or other legal issues. It takes effect July 1, 2009.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Section 334.071, F.S., provides for legislative designations of transportation facilities for honorary or memorial purposes, or to distinguish a particular facility. The legislative designations do not "officially" change the current names of the facilities, nor does the statute require local governments and private entities to change street signs, mailing addresses, or 911 emergency telephone-number system listings.

The statute requires the Florida Department of Transportation (FDOT) to place a marker at each terminus or intersection of an identified road or bridge, and to erect other markers it deems appropriate for the transportation facility. The statute also provides that a city or county must pass a resolution in support of a particular designation before road markers are erected. Additionally, if the designated road segment extends through multiple cities or counties, a resolution must be passed by each affected local government.
