Senate Amendment

Delete lines 175 - 195
and insert:

published at least 21 ~~14~~ days before ~~prior to~~ the date of the
public meeting at which the governing board takes final action
~~to apply this subparagraph.~~ The notice must identify the
project, the components and scope of the work, and the estimated
cost of the project using generally accepted cost-accounting

11 principles that fully account for all costs associated with
12 performing the project, including employee compensation and
13 benefits, equipment cost and maintenance, insurance costs, and
14 materials. The notice shall, ~~and~~ specify that the purpose for
15 the public meeting is to consider whether it is in the public's
16 best interest to perform the project using the local
17 government's own services, employees, and equipment. Upon
18 publication of the public notice and for 21 days thereafter, the
19 local government shall make available for public inspection
20 during normal business hours at a location specified in the
21 public notice a detailed itemization of each component of the
22 estimated cost of the project and documentation explaining the
23 methodology used to arrive at the estimated cost. At the public
24 meeting, any qualified contractor or vendor who might have been
25 awarded the project if the project had been competitively bid
26 shall be provided with a reasonable opportunity to present
