Senator Crist moved the following:

Senate Amendment (with title amendment)

Between lines 135 and 136
insert:

Section 3. (1) It shall be the policy of the state that each specialty license plate be phased out of existence 24 months after this act becomes a law and replaced with a specialty sticker in the bottom left or right corner of a standard Florida license plate.

(2) All standard Florida license plates must contain a location on the bottom left and right hand corners for the option of two specialty stickers to replace the all legal
