Amendment No.

97 (12) STANDARD, BASIC, HIGH DEDUCTIBLE, AND LIMITED HEALTH  
98 BENEFIT PLANS.--

99 (b)1. Each small employer carrier issuing new health  
100 benefit plans shall offer to any small employer, upon request, a  
101 standard health benefit plan, a basic health benefit plan, and a  
102 high deductible plan that meets the requirements of a health  
103 savings account plan as defined by federal law or a health  
104 reimbursement arrangement as authorized by the Internal Revenue  
105 Service, that meet the criteria set forth in this section.

106 2. For purposes of this subsection, the terms "standard  
107 health benefit plan," "basic health benefit plan," and "high  
108 deductible plan" mean policies or contracts that a small  
109 employer carrier offers to eligible small employers that  
110 contain:

111 a. An exclusion for services that are not medically  
112 necessary or that are not covered preventive health services;  
113 and

114 b. A procedure for preauthorization by the small employer  
115 carrier, or its designees.

116 3. A small employer carrier may include the following  
117 managed care provisions in the policy or contract to control  
118 costs:

119 a. A preferred provider arrangement or exclusive provider  
120 organization or any combination thereof, in which a small  
121 employer carrier enters into a written agreement with the  
122 provider to provide services at specified levels of

124 providers. Any such written agreement between a provider and a

Amendment No.

125 small employer carrier must contain a provision under which the  
126 parties agree that the insured individual or covered member has  
127 no obligation to make payment for any medical service rendered  
128 by the provider which is determined not to be medically  
129 necessary. A carrier may use preferred provider arrangements or  
130 exclusive provider arrangements to the same extent as allowed in  
131 group products that are not issued to small employers.

132 b. A procedure for utilization review by the small  
133 employer carrier or its designees.

134  
135 This subparagraph does not prohibit a small employer carrier  
136 from including in its policy or contract additional managed care  
137 and cost containment provisions, subject to the approval of the  
138 office, which have potential for controlling costs in a manner  
139 that does not result in inequitable treatment of insureds or  
140 subscribers. The carrier may use such provisions to the same  
141 extent as authorized for group products that are not issued to  
142 small employers.

143 4. The standard health benefit plan shall include:

144 a. Coverage for inpatient hospitalization;

145 b. Coverage for outpatient services;

146 c. Coverage for newborn children pursuant to s. 627.6575;

147 d. Coverage for child care supervision services pursuant  
148 to s. 627.6579;

149 e. Coverage for adopted children upon placement in the  
150 residence pursuant to s. 627.6578;

151 f. Coverage for mammograms pursuant to s. 627.6613;

Amendment No.

152 g. Coverage for handicapped children pursuant to s.  
153 627.6615;

154 h. Emergency or urgent care out of the geographic service  
155 area; and

156 i. Coverage for services provided by a hospice licensed  
157 under s. 400.602 in cases where such coverage would be the most  
158 appropriate and the most cost-effective method for treating a  
159 covered illness.

160 5. The standard health benefit plan and the basic health  
161 benefit plan may include a schedule of benefit limitations for  
162 specified services and procedures. If the committee develops  
163 such a schedule of benefits limitation for the standard health  
164 benefit plan or the basic health benefit plan, a small employer  
165 carrier offering the plan must offer the employer an option for  
166 increasing the benefit schedule amounts by 4 percent annually.

167 6. The basic health benefit plan shall include all of the  
168 benefits specified in subparagraph 4.; however, the basic health  
169 benefit plan shall place additional restrictions on the benefits  
170 and utilization and may also impose additional cost containment  
171 measures.

172 7. Sections 627.419(2), (3), and (4), 627.6562, 627.6574,  
173 627.6612, 627.66121, 627.66122, 627.6616, 627.6618, 627.668, and  
174 627.66911 apply to the standard health benefit plan and to the  
175 basic health benefit plan. However, notwithstanding said  
176 provisions, the plans may specify limits on the number of  
177 authorized treatments, if such limits are reasonable and do not  
178 discriminate against any type of provider.

Amendment No.

179 8. The high deductible plan associated with a health  
180 savings account or a health reimbursement arrangement shall  
181 include all the benefits specified in subparagraph 4.

182 9. Each small employer carrier that provides for inpatient  
183 and outpatient services by allopathic hospitals may provide as  
184 an option of the insured similar inpatient and outpatient  
185 services by hospitals accredited by the American Osteopathic  
186 Association when such services are available and the osteopathic  
187 hospital agrees to provide the service.

188 (13) STANDARDS TO ASSURE FAIR MARKETING.--

189 (1)1. In order to improve the ability of small employers  
190 to obtain information including premium rates for small employer  
191 health benefit plans and to facilitate the application process,  
192 all small employer carriers shall use a uniform employee health  
193 status form. The office, in consultation with small employer  
194 carriers, shall develop such a form and the commission shall  
195 adopt such a form by rule. The form shall be designed to permit  
196 its use both as a written document and through electronic or  
197 other alternative delivery formats. The form shall include the  
198 following health data elements for all persons to be covered  
199 under the policy that occurred in the 2 years prior to the date  
200 of completion of the form:

201 a. Any treatment by any licensed medical practitioner.

202 b. Any procedure or treatment in a hospital,  
203 rehabilitation program, or surgical center.

204 c. All current medications prescribed by a licensed  
205 practitioner.

206 d. Current diagnosis of pregnancy.

207 e. Current use of any tobacco products.

208 f. Pending test results.

209 g. Workers compensation injury or illness.

210 h. Tests or treatments recommended but not completed.

211 2. The form shall require the signature of the employee  
212 completing the form. Use of a standardized form shall not  
213 prevent a small employer carrier from obtaining information from  
214 other sources in order to determine the appropriate premium rate  
215 for a small employer.

216 Section 4. This act shall take effect October 1, 2009, and  
217 shall apply to all policies issued or renewed on or after that  
218 date.
