Senator Pruitt moved the following:

Senate Amendment (with title amendment)

Between lines 67 and 68
insert:

Section 5. The Division of Alcoholic Beverages and Tobacco may license any winery producing or selling less than 250,000 gallons of wine annually for a \$250 annual fee if all taxes are paid, no underage sales or deliveries are made, and such winery is not owned by another winery producing or selling more than 250,000 gallons of wine annually. The winery must hold the license to ship wine and all penalties applicable to the shipping of wine shall apply equally to shipments made from in-

13 state and out-of-state wineries. The division shall adopt rules
14 by January 1, 2010, to implement this section and establish
15 applications for the shipping license.
