---

Senator Bennett moved the following:

**Senate Amendment (with title amendment)**

Between lines 106 and 107

insert:

Section 8. Upon completion of the Department of Health's project, as required by Specific Appropriation 1682 of the 2008-2009 General Appropriations Act, to develop passive strategies for nitrogen reduction which complement the use of conventional onsite wastewater treatment systems, the Department of Health must submit a final report to the Governor, the President of the Senate, and the Speaker of the House of Representatives before adopting rules or criteria that are more stringent than those

13 that currently exist unless specifically directed by statute to  
14 do so or unless necessary to protect the health, safety, or  
15 welfare of the public.

16

17 ===== T I T L E A M E N D M E N T =====

18 And the title is amended as follows:

19       Delete line 29

20 and insert:

21 not be a licensed engineer; requiring that the Department of  
22 Health submit a final report to the Governor and the Legislature  
23 on nitrogen-reduction strategies before adopting rules that are  
24 more stringent than those that currently exist; providing  
25 certain exceptions; providing an effective
