SUMMARY ANALYSIS

Chapter 197, F.S., governs tax collections, sales, and liens.

The bill revises ch. 197, F.S., by removing archaic language, removing reference to outdated laws, combining certain sections for consistency, and clarifying definitions. The bill provides specific guidelines for the approval of a homestead tax deferral.

The bill also authorizes the tax collector to establish branch offices, subject to annual budget approval, to perform expressed state duties on behalf of the Department of Revenue and as agent for the Department of Highway Safety and Motor Vehicles.

The bill increases the amount of the opening bid in a tax deed sale of homestead property from the assessed value to the just value. This change removes the limitation of Save Our Homes thereby increasing the amount of the initial bid.

The bill is effective July 1, 2009.

FULL ANALYSIS

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Current Situation

Chapter 197, F.S., governs tax collections, sales, and liens.

Effect of Proposed Changes

The bill revises ch. 197, F.S., by removing archaic language, removing reference to outdated laws, combining certain sections for consistency, and clarifying definitions. Some of the noteworthy changes in the bill are:

Mistake of Fact

Current Law

If a material mistake of fact relating to an essential condition of a property is discovered, it is within the property appraiser's discretion whether that mistake corrected.¹

Proposed Changes

The bill requires the property appraiser to correct the material mistake of fact.

Uncollectible Personal Property Taxes

Current Law

Current law does not provide procedures when delinquent personal property tax accounts are determined to be uncollectible.

Effect of Proposed Changes

The bill requires that the tax collector notify the property appraiser that an account is invalid when the account is determined to be uncollectible.

¹ § 197.122(3), F.S.

Corrections resulting in refunds

Current Law

When a correction results in a refund of more than \$400, the tax collector must submit a claim for refund with the department.

Effect of Proposed Changes

The bill increases the threshold amount to \$2500 before the tax collector must seek approval from the department.

Property Tax Deferrals

Current Law

Property tax deferrals for homestead², recreational and commercial working waterfront³ and affordable rental housing⁴ properties are contained within separate sections of ch. 197, F.S.

Effect of Proposed Changes

Section 197.2421, F.S., is created and combines the tax deferral provisions for homestead, recreational and commercial working waterfront and affordable rental housing properties. Section 197.2423, F.S., is also created to prescribe the process for determining the approval or denial of a property tax deferral by the tax collector. Section 14 of the bill also provides specific guidelines for the approval of a homestead tax deferral.

Appeal of Denied Tax Deferral

Current Law

Section 197.253, F.S., prescribes the procedure for applying for a homestead tax deferral. The application must be on a form prescribed by the department. The tax collector must consider the application for homestead tax deferral within 30 days of the application. A denial of the tax deferral can be appealed to the value adjustment board. The decision of the value adjustment board may be appealed to the circuit court by a petition for a declaratory judgment or other appropriate proceeding.

Effect of Proposed Changes

The application procedure is moved to s. 197.2421, F.S. The bill provides new time requirements for the process. If the tax collector disapproves a tax deferral he must send notice of the disapproval within 45 days after the application is filed. Section 197.253, F.S., is renumbered to s. 197.2425, F.S., and prescribes the appeal process. The appeal must be submitted to the value adjustment board on a form prescribed by the tax collector. The time for appeal is increased from 20 days to 30 days from the applicant's receipt of the disapproval. Once the value adjustment board receives an appeal, the board must approve or disapprove the appeal within 30 days. An appeal of the value adjustment board decision is by a de novo proceeding for a declaratory judgment or other appropriate proceeding in circuit court.

Deferred Payment Tax Certificates

Current Law

Section 197.262, F.S., requires tax collectors to notify each local governing body of the amount of taxes and non ad-valorem assessments deferred which would otherwise have been collected by the governing body. The interest rate on tax certificates held by counties shall not exceed 9.5 percent.

² § 197.252, F.S.

³ § 197.304, F.S.

⁴ § 197.307, F.S.

Effect of Proposed Changes

The required notice to local governing bodies is removed and the maximum interest rate on certificates may not exceed 7 percent.

Notice to Taxpayers of Tax Bill

Current Law

The tax collector is required to send by mail to each taxpayer a tax notice stating the amount of current taxes due.

Effect of Proposed Changes

The bill authorizes the tax collector to send such notices electronically or by mail. However, if a notice sent electronically is returned as undeliverable, a second notice may be sent by mail but the original electronic notice is the official mailing. The bill also provides that other notices may be by electronic means and deletes requirements that certain information be provided or stored in the form prescribed by the Department of Revenue.

Branch Offices

Current Law

Article VIII, section 1(k), of the Florida Constitution, requires a resolution of the governing body of the county to establish a branch office for the conduct of county business outside of the county seat.

Effect of Proposed Changes

The bill authorizes the tax collector to establish branch offices, subject to annual budget approval, to perform expressed state duties on behalf of the Department of Revenue and as agent for the Department of Highway Safety and Motor Vehicles pursuant to ss. 195.002 (supervision by Department of Revenue) and 195.087 (submission of budget to Department of Revenue), chs. 197 (tax collections), 319 (motor vehicle registration), 320 (motor vehicle licenses), 322 (driver's licenses), and 379 (fish and wildlife conservation), F.S.

The bill also authorizes the tax collector to perform collection duties through the use of contracted services or products or by electronic means.

Installment Payment Program

Current Law

The tax collector may implement an installment payment program for the payment of delinquent personal property taxes. If implemented, the program must be available to each delinquent personal property taxpayer whose delinquent personal property taxes exceed \$1,000.

Effect of Proposed Changes

The bill deletes the mandatory availability of the program to taxpayers whose delinquent personal property taxes exceed \$1,000. The tax collector can establish his or her own guidelines for the program which may include the threshold amount which may be paid by installment.

Tax Certificates on Homestead Property

Current Law

A tax certificate of less than \$100 in delinquent taxes on homestead property cannot be sold at public auction, but must be issued to the county and bear a maximum interest of 18%.⁵

Effect of Proposed Changes

The certificate amount is increased to \$250 and the maximum interest rate is reduced to maximum rate allowed under s. 197.252(4), F.S., which is currently 7%. The bill authorizes the use of proxy bidding

⁵ § 197.172, F.S.

for tax certificate sales and the use of a random number generator to determine a winner. This would generally be used for electronic bidding, so that a winning bidder's bid amount would be increased to the next lowest bid amount.

Opening Bid on Homestead Property

Current Law

An opening bid on homestead property must include an amount equal to one-half of the latest assessed value of the homestead. The "assessed value" of homestead property is the fair market value, or "just value," as limited by Save Our Homes.⁶

Effect of Proposed Changes

The opening bid must now be based on one-half of the just value of the homestead. This increases the opening bid because the just value does not include the Save Our Homes limitation.

- Section 197.202, F.S., dealing with destruction of 20-year-old tax receipts is repealed as obsolete.

II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

Tax collectors will be able to charge a fee to cover the costs of electronic tax deeds.

2. Expenditures:

The bill may reduce expenditures by tax collectors by allowing tax collectors to send certain notices electronically instead of by mail.

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

Taxpayers may receive their tax notices sooner and may also receive refunds under \$2,500 without having to wait for approval by the Department of Revenue. In addition, if a homestead property owner loses their home at a tax deed sale they will receive a higher price because the opening bid will be based on just value instead of the assessed value which was limited by Save Our Homes.

D. FISCAL COMMENTS:

None.

III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

This bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities.

2. Other:

Article VIII, section 1(k), of the Florida Constitution, requires a resolution of the governing body of the county to establish a branch office for the conduct of county business outside of the county seat. Authorizing the tax collector to establish a branch office without a resolution of the governing body of the county may be unconstitutional.

B. RULE-MAKING AUTHORITY:

The Department of Revenue may repeal some rules implementing certain forms no longer required.

C. DRAFTING ISSUES OR OTHER COMMENTS:

Section 12 of the bill removes the requirement that value adjustment board appeal applications be in a form prescribed by the department. This provision may conflict with s. 194.011(3), F.S., which requires a petition to the value adjustment board be in the form prescribed by the department. Section 12 also requires the value adjustment board to approve or disapprove the appeal within 30 days of receipt. However, ch. 194, F.S., prescribes the time periods that the value adjustment board must follow.

Sections 197.3042, 197.3072, and 197.262, F.S., which require notices to each local governing body of deferred taxes, is deleted. The tax collectors represent that this information is already provided to the governing bodies in the Tax Roll Recapitulation Form required by the Department of Revenue. However, the form only appears to disclose exemptions, not deferrals.

IV. AMENDMENTS/COUNCIL OR COMMITTEE SUBSTITUTE CHANGES

None.
