12 development expenditures for all fields of at least \$100 million
13 per year as reported annually to the National Science
14 Foundation, the aggregate sum of tuition and the tuition
15 differential may not be increased by more than 15 percent of the
16 total charged for the aggregate sum of these fees in the
17 preceding fiscal year. For each state university that has total
18 research and development expenditures for all fields of less
19 than \$100 million per year as reported annually to the National
20 Science Foundation, the aggregate sum of tuition and the tuition
21 differential may not be increased by more than 15 percent of the
22 total charged for the aggregate sum of these fees in the
23 preceding fiscal year.
