The Committee on Regulated Industries (Jones) recommended the following:

Senate Amendment

Delete lines 1456 - 1460
and insert:

(15) "Historical racing system" means a form of pari-mutuel wagering based on audio or video signals of in-state or out-of-state races that are sent from an in-state server and operated by a licensed totalisator company which are displayed at individual wagering terminals at a licensed pari-mutuel facility.
