The Committee on Judiciary (Baker) recommended the following:

**Senate Amendment (with title amendment)**

Delete lines 54 - 60  
and insert:

(b) In addition to the authority granted in paragraph (a), natural guardians, on behalf of any of their minor children, may waive and release, in advance, any claim or cause of action that would accrue to any of their minor children to the same extent that an adult may do so on his or her own behalf. A waiver and release authorized under this paragraph is disfavored and must be strictly construed against a party claiming to be relieved of liability due to the waiver and release. Such waiver and release

779758

13 is enforceable only if the intention to be relieved of liability  
14 is stated clearly and unequivocally in the waiver and release,  
15 and in a manner that an ordinary and knowledgeable person would  
16 know what he or she is contracting away. This paragraph does not  
17 authorize a waiver and release for illegal acts.
