The Committee on Community Affairs (Wise) recommended the following:

**Senate Amendment**

Delete lines 95 - 111  
and insert:

(5) Oil and gas produced from a new producing well completed on or after July 1, 2009 in a field that was established by the Department of Environmental Protection before July 1, 2009, for a period of 48 months after the completion date.

(6) Oil and gas produced on or after July 1, 2009, from a shut-in well that has been out of service for at least 24 months

894272

12 prior to July 1, 2009, and through workover and mechanical  
13 repair is returned to commercial production, for a period of 48  
14 months from the completion date.

15 (7) Oil and gas produced on or after July 1, 2009, from a  
16 temporarily abandoned well or wellbore that has been out of  
17 service for at least 24 months prior to July 1, 2009, and that  
18 is brought into commercial production by redrilling and  
19 recompletion, for a period of 48 months from the completion  
20 date.

21 (8) Oil and gas produced on or after July 1, 2009, from any  
22 new horizontal well or any new well having a total measured  
23 depth in excess of 15,000 feet, for a period of 60 months after  
24 the completion date.
