I. Summary:

This bill reduces the annual appropriation from the General Revenue Fund to the Biomedical Research Trust Fund for the James and Ester King Biomedical Research Program from \$6 million to \$3 million. The bill also reduces the annual appropriation from the General Revenue Fund to the Biomedical Research Trust Fund for the William G. "Bill" Bankhead Jr. and David Coley Cancer Research Program from \$9 million to \$4.5 million.

Funds transferred to the Biomedical Research Trust Fund for the James and Ester King Biomedical Research Program during the 2008-2009 fiscal year in excess of \$3 million must be transferred back to the General Revenue Fund.

Funds transferred to the Biomedical Research Trust Fund for the William G. "Bill" Bankhead Jr. and David Coley Cancer Research Program during the 2008-2009 fiscal year in excess of \$4.5 million must be transferred back to the General Revenue Fund.

This bill substantially amends the following sections of the Florida Statutes: 215.5602 and 381.922.

II. Present Situation:

The James and Ester King Biomedical Research Program was started in the 2004-2005 fiscal year. The purpose of the program is to provide an annual source of funding to support research initiatives related to cancer, cardiovascular disease, stroke, and pulmonary disease. The general revenue appropriation is \$6 million per year, the funds are then transferred to the Biomedical Research Trust Fund. 85% of the funds appropriated are used to award grants and fellowships. 15% of the funds appropriated are used to administer the program in the Department of Health.

The William G. "Bill" Bankhead Jr. and David Coley Cancer Research Program was started in the 2006-2007 fiscal year. The purpose of the program is to provide research grants to advance progress towards a cure for cancer. The general revenue appropriation is \$9 million per year, the funds are then transferred to the Biomedical Research Trust Fund. 90% of the funds appropriated are used to award grants and fellowships. 10% of the funds appropriated are used to administer the program in the Department of Health.

III. Effect of Proposed Changes:

Section 1 reduces the annual appropriation from the General Revenue Fund to the Biomedical Research Trust Fund for the James and Ester King Biomedical Research Program from \$6 million to \$3 million.

Section 2 reduces the annual appropriation from the General Revenue Fund to the Biomedical Research Trust Fund for the William G. "Bill" Bankhead Jr. and David Coley Cancer Research Program from \$9 million to \$4.5 million.

Section 3 requires that funds transferred to the Biomedical Research Trust Fund for the James and Ester King Biomedical Research Program during the 2008-2009 fiscal year in excess of \$3 million must be transferred back to the General Revenue Fund.

Funds transferred to the Biomedical Research Trust Fund for the William G. "Bill" Bankhead Jr. and David Coley Cancer Research Program during the 2008-2009 fiscal year in excess of \$4.5 million must be transferred back to the General Revenue Fund.

Section 4 provides that the bill shall take effect upon becoming a law.
