### **FULL ANALYSIS**

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

Motorcycle License Taxes; Florida Motorcycle Safety Education Program

## **Current Situation**

Currently, s. 320.08(1)(c), F.S., provides that for each motorcycle registered in Florida, a \$2.50 motorcycle safety education fee is collected and deposited into the Highway Safety Operating Trust Fund. These funds are used *exclusively* to fund motorcycle driver improvement programs implemented pursuant to s. 322.025, F.S., or the Florida Motorcycle Safety Education Program. This program was established in 1989 to provide motorcycle safety courses in Florida.

# **Proposed Changes**

The bill amends s. 320.08, F.S., and 322.025, F.S., to allow the \$2.50 education fee to fund motorcycle driver improvement program and the general operations of the Department of Highway Safety and Motor Vehicles. The bill also amends s. 322.0255, F.S., to eliminate certain potential reimbursements from the Department to motorcycle course providers.

## **DUI School Coordination Trust Fund**

### **Current Situation**

Currently s. 322.293, F.S., specifies that a \$12 fee is assessed against each person who enrolls in a DUI Program. This fee is deposited into the DUI Programs Coordination Trust Fund to be used solely to fund the supervision of such programs.

## **Proposed Changes**

The bill amends s. 17.61, F.S., to eliminate the DUI Programs Coordination Trust Fund from the list of trust funds that are invested by the Chief Financial Officer and from the list of trust funds subject to the 3 percent service charge to the General Revenue Fund. The bill provides that funds currently deposited into the DUI School Coordination Trust Fund will be deposited into DHSMV's Highway Safety Operating Trust Fund for use by DUI programs and the general operations of the department.
