327 ~~(8)~~~~(9)~~ The commission shall establish, by rule, the general
328 principles which shall determine the adequacy of supervision of
329 an international banking corporation's foreign establishments.
330 These principles shall be based upon the need for cooperative

332 shall address, at a minimum, the capital adequacy, asset
333 quality, management, earnings, liquidity, internal controls,
334 audits, and foreign exchange operations and positions of the
335 international banking corporation. This subsection shall not
336 require examination by the home-country regulatory authorities
337 of any office of an international banking corporation in this
338 state. The commission may also establish, by rule, other
339 standards for approval of an application for a license as
340 considered necessary to ensure the safe and sound operations of
341 the international bank or trust representative office in this
342 state.

343 ~~(10)~~ The requirements of subsection (7) shall not apply to

351 Section 6. Section 663.055, Florida Statutes, is amended to
352 read:

353 663.055 Capital requirements.—

354 (1) To qualify for a license under the provisions of this
355 part, an international banking corporation must have net total
356 capital accounts, calculated according to United States
357 generally accepted accounting principles and practices, of at
358 least:

359 (a) Forty ~~Twenty-five~~ million dollars for the establishment
360 of an international bank agency, an international branch, or an
361 international administrative office; or

362 (b) Twenty ~~Ten~~ million dollars for the establishment of an
363 international representative office or international trust
364 representative office.

365 (2) Notwithstanding the provisions of paragraph (1)(a), the
366 office may approve an application for a license to establish an
367 international bank agency, an international branch, or an
368 international administrative office if:

369 (a) The international banking corporation is licensed to
370 receive deposits from the general public in the country where it
371 is organized and licensed and to engage in such other activities
372 as are usual in connection with the business of banking in such
373 country;

374 (b) The office receives a certificate that is issued by the
375 banking or supervisory authority of the country in which the

378 organized and licensed and lawfully existing in good standing,
379 and is empowered to conduct a banking business; and

380 (c) The international banking corporation has been in the
381 business of banking for at least 10 years and is ranked by the
382 banking or supervisory authority of the country in which it is
383 organized and licensed as one of the five largest banks in that
384 country in terms of domestic deposits, as of the date of its
385 most recent statement of financial condition. However, in no
386 event shall the office approve an application under this
387 subsection for any international banking corporation with
388 capital accounts of less than \$20 ~~\$10~~ million.

389 (3) The office may specify such other conditions as it
390 determines appropriate, considering the public interest, the
391 need to maintain a safe, sound, and competitive banking system,
392 and the preservation of an environment conducive to the conduct
393 of an international banking business in this state. In
394 translating the capital accounts of an international banking
395 corporation, the office may consider monetary corrections
396 accounts that reflect results consistent with the requirements
397 of generally accepted accounting principles in the United
398 States.

399 (4) For the purpose of this part, the capital accounts of
400 an international banking corporation shall be determined in
401 accordance with rules adopted by the commission. In adopting
402 such rules, the commission shall consider similar rules adopted
403 by bank regulatory agencies in the United States and the need to
404 provide reasonably consistent regulatory requirements for
405 international banking corporations which will maintain the safe
406 and sound condition of international banking corporations doing

20101264e1

407 business in this state.

408 Section 7. Subsections (1), (2), and (3) of section 663.06,
409 Florida Statutes, are amended to read:

411 (1) An international banking corporation licensed to
412 operate an office in this state may engage in the business
413 authorized by this part at the office specified in such license
414 for an indefinite period. An international banking corporation
415 may operate more than one licensed office ~~international bank~~
416 ~~agency, international branch, or international representative~~
417 ~~office~~, each at a different place of business, provided that
418 each office shall be separately licensed. No license ~~to operate~~
419 ~~an international bank office~~ is transferable or assignable.
420 However, the location of a licensed ~~an international bank~~ office
421 may be changed after notification of the office. Every such
422 license shall be, at all times, conspicuously displayed in the
423 place of business specified therein.

424 (2) An international banking corporation which proposes to
425 terminate the operations of a licensed office in this state ~~its~~
426 ~~international bank agency, international branch, international~~
427 ~~representative office, or international administrative office~~
428 shall surrender the ~~its~~ license to the office and comply with
429 such procedures as the commission may prescribe by rule.

430 (3) ~~The~~ ~~An international bank agency, international branch,~~
431 ~~international representative office, or international~~
432 ~~administrative office~~ license for any international banking
433 corporation office in this state may be suspended or revoked by
434 the office, with or without examination, upon its determination
435 that the international banking corporation or the licensed

20101264e1

436 office does not meet all requirements for original licensing.
437 Additionally, the office shall revoke the license of any
438 licensed office that the office determines has been inactive for
439 6 months or longer. The commission may by rule prescribe
440 additional conditions or standards under which the license of an
441 international bank agency, international branch, international
442 representative office, international trust company
443 representative office, or international administrative office
444 may be suspended or revoked.

445 Section 8. Subsection (3) of section 663.061, Florida
446 Statutes, is amended to read:

447 663.061 International bank agencies; permissible
448 activities.—

449 (3) Notwithstanding any provision of this chapter or
450 chapter 658 to the contrary, an international banking
451 corporation licensed under this part to operate an international
452 bank agency may, if authorized by rule of the commission or
453 office order, make any loan or investment or exercise any power
454 which it could make or exercise if it were operating in this
455 state as a federal agency under federal law. The commission and
456 office shall, when adopting such rules or issuing such orders,
457 consider the public interest and convenience and the need to
458 maintain a safe, sound, and competitive state banking system.
459 Unless otherwise provided by statute, an international bank
460 agency may not exercise any powers that a federal agency is not
461 authorized to exercise.

462 Section 9. Section 663.062, Florida Statutes, is amended to
463 read:

464 663.062 International representative offices; permissible

20101264e1

466 or assist the deposit-taking, lending, or other financial or
467 banking activities of an international banking corporation. An
468 international representative office may serve as a liaison in
469 Florida between an international banking corporation and its
470 existing and potential customers. Representatives and employees
471 based at such office may solicit business for the international
472 banking corporation and its subsidiaries and affiliates, provide
473 information to customers concerning their accounts, answer
474 questions, receive applications for extensions of credit and
475 other banking services, transmit documents on behalf of
476 customers, and make arrangements for customers to transact
477 business on their accounts, but a representative office may not
478 conduct any banking or trust business in this state.
