requirements;

2. If, at any time during the eligibility period, a student's grades are insufficient to renew the scholarship, the student may restore eligibility by improving the grade point average to the required level. A student is eligible for such a restoration one time. The Legislature encourages education institutions to assist students to calculate whether or not it is possible to raise the grade point average during the summer term. If the institution determines that it is possible, the

14 education institution may so inform the department, which may
15 reserve the student's award if funds are available. The renewal,
16 however, must not be granted until the student achieves the
17 required cumulative grade point average. If the summer term is
18 not sufficient to raise the grade point average to the required
19 renewal level, the student's next opportunity for renewal is the
20 fall semester of the following academic year; or

21 3. If a student is receiving a Florida Bright Futures
22 Scholarship, is a servicemember of the Florida National Guard or
23 United States Reserves while attending a postsecondary
24 institution, is called to active duty or state active duty, as
25 defined in s. 250.01, prior to completing his or her degree, and
26 meets all other requirements for the scholarship, the student
27 shall be eligible to continue the scholarship for 2 years after
28 completing active duty or state active duty.
