The Committee on Finance and Tax (Altman) recommended the following:

Senate Amendment (with title amendment)

Between lines 36 and 37
insert:

(e) To qualify for a refund of tax pursuant to this subsection, a commercial airline shall demonstrate that it has increased its average daily available seat capacity on flights that originate in the state capital and fly directly to a destination in this state, or that take off from a destination in this state and fly directly to the state capital. The increase must be at least 20 percent as measured by comparing the average daily seat capacity over a 30-day period to the

13 average daily seat capacity for the immediately subsequent 30-
14 day period. In order to continue to qualify for a refund
15 pursuant to this subsection, the airline must demonstrate on a
16 month-to-month basis that it has at least maintained such
17 increased average daily available seat capacity.
